Glendale Community Band Celebrates 45 Years of Summer Concerts. A Glendale institution celebrates a milestone this year, as the Glendale Summer Band kicks off its 45th season June 2 in downtown Glendale.

Sponsored by Glendale's Office of Special Events, the eight-week concert series takes place each Thursday at 8 p.m. during June and July, in the Murphy Park Amphitheater, located at 59th Avenue and Glenn Drive. Music lovers of all ages will be entertained by this community band of approximately 100 musicians with its renditions of marches, ballads and show tunes.

The Glendale Summer Band, conducted by John Faris, is the longest-running community band in Arizona. The ages of the volunteer band members span several generations. The band was formed in 1966, originally playing at O'Neil Park, and moved to Murphy Park when the amphitheater was built.

This free concert is the perfect night out for the entire family – or invite your friends, neighbors, the whole gang! Bring lawn chairs or blankets for seating. Food, snacks and refreshments will be available for purchase at the concerts, which will go on through July 21. The series will feature a special Patriotic performance on June 30 in celebration of Independence Day.

Construction Update. Eastbound Bell Road will be narrowed to two lanes between 84th and 83rd avenues beginning Thursday, May 26, until July 1. In addition, both Loop 101 off-ramps to Bell Road will be narrowed until September. During construction the northbound off-ramp will have only one dedicated right-turn lane, but will maintain two dedicated left-turn lanes. Capacity on the southbound ramp is not impacted, but an active work zone will be present. The ramp restrictions are needed to relocate utilities, construct a retaining wall and realign the roadway to accommodate the new HOV Lane.
